

BOARD MEMBER

NEW YORK CITY DEPARTMENT OF
TRANSPORTATION

Amar Ali, P.E., PMP

Mr. Amar Ali is a Deputy Director of ITS Management and System at the New York City Department of Transportation since 2023. In his role, Mr. Ali oversees the strategic planning, implementation, and maintenance of cutting-edge ITS solutions aimed at enhancing transportation efficiency, safety, and sustainability across the city's vast network. In his previous experience, Mr. Ali was involved in deploying and supporting Advanced Transportation Management Systems, in number of locations in the northeast region and he was involved in many other ITS programs such as the Transit Signal Priority, and the Connected Vehicles.

Mr. Ali has 20 years of professional experience in the US and overseas. Beside his experience in the US, Mr. Ali was involved in several Transportation and ITS projects in China, Australia, Europe and the Middle East. Mr. Ali holds a Master's degree in the major of systems & industrial engineering. He is a Licensed Professional Engineer in the State of New York and a Certified Project Manager Professional.
